COSMEDIX PEELS

Pomegranate Exfoliating Peel 85

The perfect peel for sun-damaged and hyperpigmented skin. L-Lactic acid softens and exfoliates as well as providing a boost of hydration.

Papaya enzymes break down dead skin & debris, while powerful antioxidants calm & protect the skin from pollutants while brightening & inhibiting pigmentation. Your skin will be left feeling brighter and with a noticeable glow.

Blueberry Smoothie Peel 85

Is a gentle peel ideal for clients seeking a more soft and smooth complexion. Rich antioxidants provide an anti-aging effect and gentle jojoba beads stimulate and exfoliate the skin leaving a glowing complexion and your skin feeling fresh and renewed.

Deep Sea Peel 90

A skin polishing peel that is ideal for breakout prone skins as it aids in the healing of pitted scars, detoxifies impurities and smooths out uneven skin texture.

Bene-factor Peel 120

A complete skin rejuvenating and cell regeneration peel, it revitalises and clears the complexion leaving the skin with a beautiful glow. It is also ideal for clients seeking to treat hyperpigmentation, photo-aging and problematic, oily skins. It contains a powerhouse duo of Salicylic and Lactic Acid which increases skin cell turnover and actively softens and removes dead skin cells.

With the inclusion of cherry, blueberry and pineapple extracts the skin receives a boost of antioxidants that aids in brightening, protecting and improving the skins overall complexion. Any skin can really 'benefit' from this peel.

ASPECT DR PEELS

Lactobotanical Peel Range

This peel range is perfect for skin renewal and cell turnover, with its key ingredient L-Lactic Acid acting as a potent skin hydrator and is superior in the management of hyperpigmentation. It is ideal for dull, lifeless, dehydrated, pigmented and mild to moderate problematic skin. With different levels of potency we are able to gradually advance our clients to a more potent and intense treatment allowing us to achieve optimum results.

Lactobotanical 20%	90
Lactobotanical 30%	115
Lactobotanical 40%	125
Lactobotanical 60%	135

Problem Skin Peel 120

The perfect peel for oily, congested, problematic acne prone skins. With Salicylic Acid at a 20% potency this peel breaks down excess oily, while deeply exfoliating and lifting excess debris to provide a deep clarification of the skin. The inclusion of Amazonian plant extracts helps to reduce redness and provides relief to inflamed and irritated skins.

Complete Pigment Peel 120

Is perfect for clients suffering from melasma or excess epidermal pigment. With 20% Salicylic Acid that deeply exfoliates and lifts excess debris from the skin, paired with a powerful brightening complex that helps to illuminate and even out the skins complexion as well as a AHA fruit blend that completely revitalises and improves skin texture you're left feeling brighter and more vibrant.

ASPECT DR PEELS

Vita A Peel 140

The peel is ideal for clients who may have thin fragile skin, are wanting to improve the effects of photo-aging and are seeking to soften fine lines and wrinkles or even clients who may be suffering from epidermal or post inflammatory pigment. 10% Lana Blue mimics the effects of retinol, dramatically improving cellular turnover, breaking down pigmentation and boosting skin hydration and therefor refining fine lines and wrinkles. Lactic Acid and Niacinamide also provide a surge of hydration and assist in deeply exfoliating the skin, strengthening the skins barrier and increases skin brightness.

COSMELAN DEPIGMENTATION TREATMENT PACKAGE

Cosmelan Depigmentation Treatment 1300

The Cosmelan Peel by Mesoesthetics is the leading depigmentation peel across the globe and is the perfect treatment for clients who suffer from melasma, uneven skin tones and discolouration, stubborn pigmentation or post inflammatory pigment and acne scarring.

It is one of the only depigmentation peels that is suitable and safe for all skin types. It is a two-phase treatment that includes an in-clinic application of a potent depigmenting mask which is left on the skin between 8-12 hours. Phase two involves an at home product that is to be applied twice a day.

- ✧ Cosmelan Depigmentation Treatment Package
- ✧ In Clinic Depigmentation Mask
- ✧ Seven homecare products to use post treatment to ensure best results
- ✧ A hydration facial and LED session to be performed ten days post treatment

MEDI-SPA FACIALS/DERMAL TREATMENTS

Injectables Signature Facial 150

Perfect for those wishing for a bit more relaxation and pampering. Designed to relax, restore & rejuvenate your skin. With a deep cleanse, exfoliation, face, neck and décolletage massage, hydrating mask and LED session your skin will be left glowing and your mind feeling relaxed and tranquil.

'We are passionate about teaching our clients how to care for their skin.'

Macho Man Facial 120

Here at Injectables we understand the importance of males also looking after their skin and have created the perfect facial for all of our handsome men out there. This facial provides a deep cleanse and exfoliation with extractions included, as well as a hydrating mask to boost skin moisture and soften the skin's complexion. To top it all off, our signature male shoulder and neck massage provides relief to all of those every day aches and pains with an LED session and head massage for complete relaxation. This really is the perfect treatment to leave you feeling and looking fresh and renewed.

The Total Teens Acne Treatment 120

During this treatment we not only target teen hormonal breakouts and congestion through the combination of a deep double cleanse, exfoliating peel and LED light treatment. We also take a more holistic approach to take the time to understand client goals and lifestyle factors that may be contributing to their problem skin.

Epi-Blading Oxygen Facial 120

After the Epi-blading Oxygen Facial you will be left with what feels like a brand new face. The dead layers of skin will be gently removed with the added benefit of removing the majority of vellus hairs on your face (peach fuzz) leaving it smooth and supple. The oxygen mask replenishes the skin's oxygen levels which, in turn, helps to smooth out wrinkles and restores a more youthful looking appearance.

On the Glow Facial 150

Is perfect for a pre-event pick me up when the skin is looking and feeling dull and lifeless and there is no time for long, post-treatment downtime.

Reviving and brightening your complexion, this antioxidant peel and hydrating mask will restore skin hydration and plumpness while the LED rejuvenation light assists in stimulating collagen and elastin production as well as promoting skin healing. Leaving your skin looking healthy, renewed and vibrant.

Post Party Pick Me Up Facial 170

This facial is perfect for when our skin is feeling rundown and tired whether it be from stress, our busy lives or a big night out.

An enzymatic fruit peel provides a deep exfoliation and assists in brightening the skin's complexion with antioxidants. The probiotic mask assists in restoring healthy barrier function and boosts hydration. The lymphatic massage will rid the skin of toxins it may be holding due to stress and other contributors. The LED stimulates collagen and elastin production revealing a tighter and brighter complexion. Finished with a peptide sheet mask that provides a complete moisture surge to the skin, depuffing while revitalising the complexion.

Collagen Induction Therapy (Micro-Needling)

Micro-Needling is a go-to treatment for instantly firmer, smoother skin! Known for its incredible ability to stimulate the growth of collagen and elastin, micro-needling delivers real results in overall skin rejuvenation. Not only will this treatment leave you glowing, it can also reduce scarring, stretch marks, blackheads, open pores, fine lines and hyperpigmentation.
